Pontoon Seat Assembly Instructions

Congratulations on your Veada pontoon furniture purchase! Follow these assembly instructions for quick and easy assembly.

Tools Required: Phillips Screw Driver

1. Place back rest on the base unit.
2. Using (4) or (6) 1" bolts/washers, attach back rest from the bottom up.
3. Using (4) 1/2" bolts, attach 2 cushion hinges to base, orientated as pictured.
4. Using (4) 3/4" bolts, attach cushion to base hinges. Shift left/right as needed.
(Note) Corner unit cushions will NOT attach with hinges.
